## White Toner Master Class

VIDEO SERIES

The White Toner Master Class is a brand new and constantly updated training course to help you get up and running quickly with your new printer. Within the first hour, you'll learn how to properly produce transfers and t-shirts, eliminating weeks of expensive trial-and-error.

The Master Class includes more than 6 hours of high value training and includes all the necessary graphics and resources you'll need to follow along. The lesson plan is structured as a series of modules separated into short, easy-to-reference chapters. Because of how the modules are divided, you can go at your own pace, step-by-step with your instructor. Whether you are watching the course for the first time or looking for a refresher on a specific topic, the course will be convenient and easy to navigate. The course includes the artwork files used in the training video so you can follow along, step-by-step!
